

General Field Changes

We are adding some highly requested items to all property types as well. The following items are now available in Keystone:

- **Contingent on Appraisal** will show on the contingency screen.
- **Riparian Rights Convey Y/N** – This field is mandatory if the property is waterfront and will be used to specify if the property owner is entitled to use of the bordering water.
- **Recycling Area** has been added as a picklist option under Amenities.
- **Blocks to Navigable Water** – This field was formerly labeled Blocks to Ocean.
- **Lead Based Paint** will be an option in the Disclosure section and no longer in the documents section.
- **Garage** and **Carport** will only be available under Lot/Parking and no longer show under Building/Rooms.
- **Recreation Room** will only show under Building/Rooms and no longer be duplicated under Building/Rooms – Other.
- **Vacation Rental Y/N** – This field was formerly labeled Vacation Y/N. This field is not available for Commercial properties.
- **Call 1st – Showing Contact** – This field was formerly labeled Call 1st – Contact.
