Dear Real Estate Professional,

Thank you for considering membership in Metropolitan Regional Information Systems—the nation's largest Multiple Listing Service—serving over 58,000 real estate professionals in Maryland, Virginia, the District of Columbia, West Virginia and Pennsylvania.

MRIS began serving its first customers in 1996. Today, MRIS offers Internet access to real estate listings and public records spanning its 22,000 square mile Mid-Atlantic territory and much more. We have contracted with leading vendors to provide area demographics and statistics, school reports, online photography and mapping.

Please review the **Tools for Success** page that follows to learn about the many resources available through your subscription to MRIS, including, unlimited Internet access, multiple email accounts and a wide array of products and services handpicked to help you grow your business.

As a real estate licensee, you become an individual subscriber by completing the enclosed documentation and providing appropriate payment information. Please review the Subscriber License and Access Agreement, Schedule of Fees and the Rules and Regulations contained herein. Then complete Exhibits A and C and page 9 of the Subscriber License and Access Agreement form and mail or fax them along with a copy of your real estate license to MRIS.

Once your application has been processed, you will receive your User ID and Password* via email. Automatic quarterly debits charged to your bank or credit card account will ensure your continued access.

On behalf of the hundreds of REALTOR® volunteers who have contributed to the success of MRIS® by devoting their time, effort and talent and on behalf of our shareholders and the Board of Directors, we welcome you to this exciting real estate Metropolitan Region Information System.

Sincerely,

Adam D. Cockey, Jr.
Chairman, Board of Directors

**The integrity of our Internet-based system depends on your integrity. It is a violation of the MRIS Rules and Regulations to share your User ID and Password. Violators are subject to severe monetary fines and service termination.*
