

## Manassas City, VA

### Labor Market :

In the first two months of the second quarter, 111 jobs were added to the payrolls of Manassas City. As a result of these new jobs, the average monthly unemployment rate fell from 8.2% during the first quarter to 7.7% for April and May. This steady job creation may help to maintain demand for home purchases. Favorable mortgage rates should support this trend.

### Housing Market :

|                         | Q1' 09    | Q2' 09    | Q3' 09<br>(Forecast) |
